Sirs

Society for the Study of Inborn Errors of Metabolism (SSIEM)

Dear Sirs:

With this I am writing to you, on behalf of the Colombian Association of Patients with Inborn Errors of Metabolism "ACPEIM". We are a non-profit organization, made up entirely of patients and their families, whose main objective is to support patients with amino acid metabolism diseases, especially those with small molecules and energy compromise, and their caregivers.

On behalf of the "ACPEIM" Association, it is my desire to convey our deepest gratitude to the Society for the Study of Inborn Errors of Metabolism (SSIEM) for its great generosity and financial support provided to raise awareness among the entire community about the Inborn errors of metabolism.

We appreciate all the support received for our patients, families and health professionals who make up this family of Inborn Errors of Metabolism

"United we can do more for our children"

Cordially,
