

1.3. Programme

Day 1: Monday 25th April

08:30 – 08:45	Welcome/ Introduction Attendees: All Room TBC			
08:45 – 09:45 50 minutes/1 hour	Lecture 1 Attendees: All Topic: Hyperammonaemia Speakers: Johannes Häberle and Nanda Verhoeven-Duif Room: TBC			
09:45 – 09:55	Faculty and delegates move to workshop rooms			
09:55 – 11:10 1 hour 15 minutes	Workshop 1 (4 parallel workshops) Topic: Hyperammonaemia & Urea cycle disorders			
	Speakers: D Ballhausen, F Vaz, A Morris Attendees: <u>Group A</u> Room: TBC	Speakers: J Davison, C Saban Attendees: <u>Group B</u> Room: TBC	Speakers: J Häberle, N Verhoeven, S Heales Attendees: <u>Group C</u> Room: TBC	Speakers: E Murphy, H Blom, M Korson Attendees: <u>Group D</u> Room: TBC
11:10– 11:40	Coffee break (Foyer)			
11:40 – 12:30 40-50 minutes	Lecture 2 Attendees: All Topic: Aminoacidopathies Speakers: Christine Saban and James Davison Room: TBC			
	Lunch (Patio Restaurant)			
13:30 – 14:45 1hour/1hour 15 minutes	Workshop 2a (4 parallel workshops) Topic: Aminoacidopathies (PKU, tyrosinemias, MSUD, OAT deficiency)			
	Speakers: J Davison, C Saban Attendees: <u>Group A</u> Room: TBC	Speakers: J Häberle, N Verhoeven, S Heales Attendees: <u>Group B</u> Room: TBC	Speakers: E Murphy, H Blom, M Korson Attendees: <u>Group C</u> Room: TBC	Speakers: D Ballhausen, F Vaz, A Morris Attendees: <u>Group D</u> Room: TBC
14:45 – 15:05	Coffee break (Foyer)			
15:05 – 16:20 1hour/1hour 15 minutes	Workshop 2b (4 parallel workshops) Topic: Aminoacidopathies (serine biosynthesis, non-ketotic hyperglycinemia, proline biosynthesis, transport disorders & pitfalls)			
	Speakers: J Davison, C Saban Attendees: <u>Group A</u> Room: TBC	Speakers: J Häberle, N Verhoeven, S Heales Attendees: <u>Group B</u> Room: TBC	Speakers: E Murphy, H Blom, M Korson Attendees: <u>Group C</u> Room: TBC	Speakers: D Ballhausen, F Vaz, A Morris Attendees: <u>Group D</u> Room: TBC

18:45-19:15 **New developments in aminoacidopathies (Speaker: NAMA representative, in 2022: Mark Korson)**

19:30 **Evening Meal for all Academy attendees and faculty (Patio Restaurant, Steigenberger Airport Hotel). Your ticket is needed for admittance to the Academy Meal.**

SSIEM 2022 Academy, 25th – 26th April 2022, Amsterdam, The Netherlands

Day 2: Tuesday 26th April

08:30 – 09:10 40 minutes	Lecture 3 Topic: Homocystinurias & remethylation Speaker: Henk Blom and Diana Ballhausen Room: TBC			
09:10 – 09:20	Faculty and delegates move to workshop rooms			
09:20 – 10:35 1 hour 15 minutes	Workshop 3 (4 parallel workshops) Topic: Homocystinurias & remethylation & folic acid			
	Speakers: J Häberle, N Verhoeven, S Heales Attendees: <u>Group A</u> Room: TBC	Speakers: E Murphy, H Blom, M Korson Attendees: <u>Group B</u> Room: TBC	Speakers: D Ballhausen, F Vaz, A Morris Attendees: <u>Group C</u> Room: TBC	Speakers: J Davison, C Saban Attendees: <u>Group D</u> Room: TBC
10:35 – 10:55	Coffee break (Foyer)			
10:55 – 12:25 15 mins per presenter plus 15 minutes spare	Case Discussions presented by delegates (No. = 5) Attendees: All Chairs: M Korson, S Heales Room: TBC			
12:25 – 13:25	Lunch (Patio Restaurant)			
13:25 – 14:55 15 mins per presenter plus 15 minutes spare	Case Discussions presented by delegates [continued] (No. = 5) Attendees: All Chairs: M Korson, S Heales Room: TBC			
14:55 – 15:25	Coffee break (Foyer)			
15:25 – 15:55	Quiz – Elaine Murphy and Fred Vaz Attendees: All Room: TBC			
15:55 – 16:10	Concluding Remarks – End of Meeting Attendees: All Room: TBC
