

THE CYPRUS INSTITUTE OF NEUROLOGY AND GENETICS SENIOR SCIENTIST/DEPARTMENT HEAD

(Ref. code: 300721)

The Cyprus Institute of Neurology and Genetics (CING), is a bi-communal, non-profit, research, academic, medical centre. It offers high level medical and clinical laboratory services, pursues innovative research and provides advanced education in the areas of Neurology, Genetics and Biomedical Sciences.

JOB SUMMARY

The Cyprus Institute of Neurology and Genetics is looking for a full time **Senior Scientist/Department Head** in its Biochemical Genetics Department.

The suitable candidate will head, manage and develop the department to ensure it achieves the highest possible standards of excellence in all its activities. Moreover, he/she will exercise leadership, demonstrate vision and empower others in order to deliver the agreed strategy of the Institute. The above position is combined with a faculty position at the appropriate rank commensurate with experience and track record at the Cyprus School of Molecular Medicine (CSMM), the post-graduate School of the Institute.

He/she will be accountable to the Chief Executive Medical Director and will be a member of the Institute's Scientific Council.

WHAT WE ARE SEEKING

- PhD in any Biological Science, Chemistry or closely related field; and
- A minimum of 6 years of post-qualification experience in the field of Biochemistry; and
- Proven ability to design and carry out original and independent research projects that result in publication; and
- Supervisory experience; and
- Command of the Greek and/or Turkish and English languages

Experience in biochemical genetics will be considered an advantage.

WHAT WE OFFER

- Highly collaborative culture. Top-notch facilities that permit research at the cutting edge of scientific investigation
- Opportunities for advancement as an academic:
 - Research infrastructure and resources are allocated including dedicated and state-of-the-art lab space and high-level research scientists
 - Opportunities for dynamic involvement in the activities of CSMM (supervision of MSc/PhD students, teaching and coordinating of the CSMM programs)
 - Annual starting gross salary (including 13th salary) is €67.445,90 (Scale A15/A16) plus other benefits.

HOW TO APPLY

A cover letter and a detailed curriculum vitae and names of two referees should reach the Institute by **17 September 2021** by e-mail at: vacancies@cing.ac.cy, stating the reference code. Contact person for further information: Mrs Anna Michaelidou, tel.: +357 22 392789, e-mail: annam@cing.ac.cy.

The Cyprus Institute of Neurology and Genetics is an equal opportunities employer.
